

Puhdys, Who'll Stop The Rain

Long as I remember - the rain's been comin' down
Clouds of mistry pourin' - confusion on the ground
Good men thru the ages - tryin' to find the sun
And I wonder, still I wonder, who'll stop the rain

I went down (to) virginia - seekin' shelter from the storm
Caught up in a fable - I watched the tower grow
Five years plans and new deal - wrapped in golden chains
And I wonder, still I wonder, who'll stop the rain

Heard the singers playin' - how we cheers! from more
The crowd had rushed together - tryin' to keep warm
Still the rain kept pourin' - fallin' on my ears
And I wonder, still I wonder, who'll stop the rain
