

Pulp, Pink Glove

You'd better watch what you're wearing if you want him to come round and see you tonight.
Ma Ma Ma.
He doesn't care what it looks like just as long as it's pink and it's tight.
Ma Ma Ma. Oooh, so what should you do?
Should you stop being you?
Just to be how he wants you?
Oooh, say you'll visit your mum then tell me that you'll come
and meet me in the afternoon.
He's got your heart, he's got control.
Oh God, you might as well know.
I know you're never going to be with me
But if you try sometimes then maybe you could get it right first time.
I realise that you'll never leave him but every now and then in the evening.
You could get it right first time.
I know you think I've got to be joking but if you touch him again then I'm going.
You got it right first time.
Get it right first time.
Now you've done it once now he wants you to wear your pink glove all the time.
Ma Ma Ma. Oooh, so what should you do?
Should you stop being you?
Just to be how he wants you.
Oooh, say you'll visit your mum then tell me that you'll come
and meet me in the afternoon.
He's got your heart, he's got control.
Oh God, you might as well know.
I know you're never going to be with me...etc.
Oh you'll always be together 'cos he gets you up in leather.
So you know what to wear at the end of the day and I'd laugh
if I saw but I'm out of the way.
Yeah it's too long ago, shouldn't care anymore but I wanted to know
Is it as good as before?
Yeah it's hard to believe that you'd go for that stuff
All those baby-doll nighties with synthetic fluff.
Yeah it looks pretty good and it fits you OK
Wear your pink glove babe he put it on the wrong way. Jesus.
I know you're never going to be with me...[etc.]
