

Pulp, We Can Dance Again

We have made a choice - no we don't want to die
We want to look the future firmly in the eye
Speaking personally I have to say that I
would like to dance again

Yeah, we know that 99% is crap
But we're the other 1%
What you gonna do about that?
We want something to happen
We want it to come fast
We want to dance again

Oh, we can dance again
Take a chance again
If you can make it outdoors
You can do it once more
It's all right again

And if you hold me tight
I might just stay the night
And we'll forget where we've been
All the crap we have seen
It's all right again
All right again
All right

Can you believe that it was only yesterday
That there was nothing going on - nothing to play
We don't want trouble - no
We only want to say:
We'd like to dance again

So although it doesn't mean a single thing
Oh well, it might just make us laugh
and it might just make us sing
and it might help us forget that
we don't know where we're going
if we dance again
Dance again
Oh yeah

Oh, we can dance again
Take a chance again
If you can make it outdoors
You can do it once more
It's all right again

And if you hold me tight
I might just stay the night
We'll forget where we've been
All the crap we have seen
It's all right again
Alright again
Alright

La la la la

Oh, it's okay
Oh, it's not the end of the world
It's just some boys and some girls
making fools of themselves

Everybody's singing!
We can dance again

Take a chance again
If you can make it outdoors
You can do it once more
It's all right again

And if you hold me tight
I might just stay the night
We'll forget where we've been
All the crap we have seen
It's all right again
All right again
All right

Oh, we can dance again
Hold my hand
Yeah it's all right
Your hair is beautiful, yeah
Ooh ooh ooh ooh

Oh yeah, we can dance again
Hold my hand
Yeah it's all right
Your hair is beautiful, yeah
Ooh ooh ooh ooh

La la la la la la
