

Punchline, Beatz Song

You're just who took a trip to the other side
A little early, mind you, we'll all be there soon
I was wondering if there was any way
When I get there, could we play together?

Our days are numbered so we make them count
You keep the time and so will we now
Everything is lost but the one thing we've found
Is that our hearts all carry on the Beatz now

I've had some questions I don't question anymore
I know this is all a big rehearsal
Soon my time will come and when I step onto that stage
I know you will be there cheering for me

Our days are numbered so we make them count
You keep the time and so will we now
Everything is lost but the one thing we've found
Is that our hearts all carry on the Beatz now

Our days are numbered so we make them count
You keep the time and so will we now
Everything is lost but the one thing we've found
Is that our hearts all carry on the Beatz now

Proof that life isn't fair
Life isn't fair, I'll see you there

Proof that life isn't fair
Life isn't fair, I'll see you there

Proof that life isn't fair
Life isn't fair, I'll see you there

Our days are numbered so we make them count
You keep the time and so will we now
Everything is lost but the one thing we've found
Is that our hearts all carry on the Beatz now
