

Punchline, Getting There Is Getting By

I'm going to get there.
You're going to see me.
You're going to say that so much has changed.
In a year now, I'll rise above and I'll see you at the top.
Everyone has changed.

AOA...are you okay? Are your breathing patterns on time?
Did you wake up in the morning breathing fire?
And stumble out of bed like thoughts into your head?

Tie me here in time. I think I'm doing alright and kind of getting by.
Everyone has changed.

KOA...are you A-OK? Was yesterday the best day of your life?
Only beating out the day before that? Are you afraid of the world you've created?

Tie me here in time. I think I'm doing alright and kind of getting by.
Make tonight my life. I think I'm doing alright and kind of getting by.

Who do you turn to when you don't know who you've turned into?
You won't find the hardest part sometimes. Everyone has changed
Who do you turn to when you don't know who you've turned into?
You won't find it this time.

I'm going to get there.
You're going to see me.
You're going to say that so much has changed
AOA Oh you won't care tonight
Everyone has changed

Tie me here in time. I think I'm doing alright and kind of getting by.
Make tonight my life. I think I'm doing alright and kind of getting by.
