

Punchline, Jarrod Isn't Funny

Going two days without hearing your voice
Makes me feel like I have no other choice
Than to tell you how I feel,
And risk everything,
Like our friendship, and our sanity,
In the hopes that it will bring me happiness
Once again.
You and me.
You could be my new girlfriend.
I'd bring you flowers every day.
Treat you good in every way.

11:11

Time to make a wish
You always have the same one,
But won't tell me what it is.
And it doesn't make a difference,
'Cause you know that I'll be there.
What am I even telling you this for?
You don't really care.

Happiness, once again.
You and me.
You could be my new girlfriend.
I'd bring you flowers every day.
Treat you good in every way.
