

Pungent Stench, Hydrocephalus

I love your face
With the eyes so wide apart
Transparent skin and veins
Hydrocephalus
Your sexy smile
Every time I talk to you
You obey and understand
All of my commands
You are a blooming flower in the garden of nature
Much social work to do
With your gentle grin and submissive creature
I've paid for you
Lend you from doctor of the mental home
Weekend for charity
Wife and kids are gone, we are all alone
Experience for you and me
Sweet waterhead
Fucking in waterbed
Sweet waterhead
Fucking in waterbed
I love your mouth
With the teeth so wide apart
Hare-lips that suck - Good
Hydrocephalus
And then your ass
Your swollen little chest
And at the end - Now
Squirting in your face
Sweet waterhead
Fucking in waterbed
