

Push Play, Midnight Romeo

Meet me at my door
by the end of the night you'll be screaming for
more more more of me
Tonights a big night so lets make history
My lips touch your lips
my hands on your hips
whats it gonna take
for you to give me my goodnight kiss
Oh Whoa
my heart is beating fast but my hands are moving slow
Oh Whoa
feels so right you just cant say no
late night gonna hit the town
gonna take you out
gonna make you whoa
whoa midnight romeo
show me yours and I'll show you mine
gonna make you sweat
gonna feel you head to toe
you know I'm your midnight romeo
I'll be your Dr. jekel and your Mr. hyde
the best of both worlds when you get inside my
place place place with me
