

Push Play, Situation

Cause every single time I
Look into the past I
Think of what we had and it blows my mind
Night is what I symbolize
How fast I can fly
Don't tell us where to do
Don't tell us to lie low
Let us move to the tides
It's the start of something new
Looking back on what we knew
We were so confide
Sha na na na
Sha na na na
'Cause living in the lines
In exageration
You always make the best of the situation
Sha na na na
Sha na na na
'Cause every other lines
Is exageration
You always make the best of the situation
Livin' life day by day
Never time to delay
Just wanna go out
And not have to worry what to say
And now it's time to say goodbye
To wondering why
Don't tell us where to do
Don't tell us to lie low
Let us move to the tides
It's the start of something new
Looking back on what we knew
Now it's time to unwind
Sha na na na
Sha na na na
'Cause living in the lines
In exageration
You always make the best of the situation
Sha na na na
Sha na na na
'Cause every other lines
In exageration
You always make the best of the situation
Now every single time
I try to get away
It ends up being my dismay
No, it's no OK
Sha na na na
Sha na na na
'Cause living in the lines
In exageration
You always make the best of the situation
Sha na na na
Sha na na na
'Cause every other lines
In exageration
You always make the best of the situation
Sha na na na
Sha na na na
'Cause living in the lines
In exageration
You always make the best of the situation
Sha na na na
Sha na na na

'Cause every other lines
In exaggeration
You always make the best of the situation
