

# Pussycat Dolls, Top Of The World

Gimme them bright lights, long nights  
High rise, overtime (Pussycat Dolls)  
Gimme them bright lights, long nights - Party till the sun is rising  
High rise, overtime - Working till the moon is shining  
Hot guys, fly girls - Never gonna say it  
I feel on top of the world, I feel on top of the world  
Hey

Im ready for the pressure  
The drama and the pleasure  
Got my whole life here in front of me  
Im taking over when I hit the streets

Glamour, glitter and gold  
Nothing is stopping you, nothing is stopping me  
In this outta control  
I must stay in persue, do what I got to do

Gimme them bright lights, long nights - Party till the sun is rising  
High rise, overtime - Working till the moon is shining  
Hot guys, fly girls - Never gonna say it  
I feel on top of the world, I feel on top of the world  
Hey

Its like a rollercoaster  
One step away Im closer  
I can see it there within my reach  
Wont let the city get on top of me

Glamour, glitter and gold  
Nothing is stopping you, nothing is stopping me  
In this outta control  
I must stay in persue, do what I got to do

Gimme them bright lights, long nights - Party till the sun is rising  
High rise, overtime - Working till the moon is shining  
Hot guys, fly girls - Never gonna say it  
I feel on top of the world, I feel on top of the world

I can do it all night long (Nothing can stop me)  
They can place my home (Cant slow me down)  
The only thing I know (Is that I wont fall)  
And I have it all

Gimme them bright lights, long nights -  
High rise, overtime - Working till the moon is shining  
Hot guys, fly girls - Never gonna say it  
I feel on top of the world, I feel on top of the world

Gimme them bright lights, long nights - Party till the sun is rising  
High rise, overtime - Working till the moon is shining  
Hot guys, fly girls - Never gonna say it  
I feel on top of the world, I feel on top of the world

Gimme them bright lights, long nights (Pussycat Dolls)  
High rise, overtime  
Hot guys, fly girls - Never gonna say  
I feel on top of the world, I feel on top of the world
