

PVRIS, ANIMAL

I'm not something you can tame that easy
Tame that easy
You don't know shit about the pain i'm feeling
Pain I'm feeling

Two sided like a gemini
Somebody you don't recognize

Don't tell me that you know me
Know me
Saying what I feel, what I do, what I want
Quit acting like you own me
Own me
Saying that I'm yours to control
But I'm not
Your animal
under control
Your animal
Saying what I feel, what I do, what I want

Is this a twisted fantasy?
A fantasy yeah
Some pleasure can be damaging
Unfair to be in
You know I tell you every time
Two sided like a gemini

Don't tell me that you know me
Know me
Saying what I feel, what I do, what I want
Quit acting like you own me
Own me
Saying that I'm yours to control
But I'm not
Your animal
under control
Your animal
Saying what I feel, what I do, what I want

When you cage an animal
Their claws will start to show
They're aiming at your throat
It's time to let them go
When you cage an animal
Their claws will start to show
They're aiming at your throat
It's time to let them go

Quit acting like you own me
Own me
Saying that I'm yours to control
But I'm not
Your animal
Under control
Your animal
Saying what I feel, what I do, what I want
