

Queen Adreena, Friday's Child

(Gibberish), my daughter
take her from the water
I laid her down
For she drinks from the river
I pray forgive her
Don't let her drown
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb

Girl, a string of lovers
Found dead beneath her
They pulled her down
For she drinks from the river
I pray forgive her
Don't let her drown
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb

(Gibberish)

A prayer for the mind who's thread bare
For those who dare to tread there
Now the sun is gone
Oh I pray for my daughter
I pray support her
Don't let her drown
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb dumb
