

# Queen Adreena, Friday's Child

(Gibberish), my daughter  
take her from the water  
I laid her down  
For she drinks from the river  
I pray forgive her  
Don't let her drown  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb

Girl, a string of lovers  
Found dead beneath her  
They pulled her down  
For she drinks from the river  
I pray forgive her  
Don't let her drown  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb

(Gibberish)

A prayer for the mind who's thread bare  
For those who dare to tread there  
Now the sun is gone  
Oh I pray for my daughter  
I pray support her  
Don't let her drown  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb  
Dumb dumb dumb dumb dumb
