

# Queen Adreena, Pray For Me (Japanese Release)

(K.J.Garside)

I painted somebody,  
I painted some more,  
I painted a house and I opened the door,  
I made her come inside,  
I made her feel warm,  
I mended her heartache,  
The one that she tore.

Pray for me.

I wrapped her in softness,  
Made her a fire,  
I gave her the one who fulfilled her desire,  
I laid off the doctor,  
Allowed her to see,  
She doesn't need him now,  
She's living with me.

Pray for me.
