

Queen Adreena, Racing Towards The Sun

do or die that is my question
a little seed burning in me
it's hot i must get water
racing towards the sun
do or die break or burn
i've still got so much to learn
my breath is tearing with the dying sun
racing towards the sun
i can't breath
i got sucked underneath
she won't fight for breath now
have a little taste of death now
rise and fall rise and fall
i've seen it all
racing towards the sun
