Queen, Dont't lose your head

Don't

lose your head

Don't lose your head

No don't lose your head

Don't lose your head

Hear what I say

Don't lose your way - yeah

Remember, love's stronger, remember love walks tall

Don't lose your heart

Don't lose your heart

No don't lose your heart

Don't lose your heart

Hear what I say

Don't lose your way

Don't lose your way - yeah

Remember love's stronger, remember walks through walls

Don't drink and drive my car

Don't get breathaliesed

Don't lose your head If you make it to the top and you wanna stay alive

Don't lose your head

Don't lose your head

Don't lose your head

No don't lose your head

Don't lose your head

Hear what I say

Hear what I say - yeah

Don't lose your way

Hey, don't lose your way

Remember love's stronger, remember love conquers all

Don't lose your head

Don't lose your head
