Ima take mine wactha like when the beat come soft, I leave darkness where there used to be your front teeth. I'm heartless, when it comes to havin' the back of my partners, yeah we artists but testin' us ain't the smartest. You can huff, puff, but blow me down I doubt it kid, or get yo' ass whooped behind what ya mouth did. You need more "Hail Mary's" than a catholic, yo ass aint slick I'll mess your shit quick. I got connects, I get stuck like glue stand to the F you I had to make it so your parents forget you. Cause if I let you get over and then I pass you, think you can do it on a reg so Ima wreck you.

Niggas be all in my face like government be in my check, every time I pick up the mic and begin to wreck. But right now my job is more important than a nigga, I'm in to peace, its so tricky this ain't the way I figured. An evident I wasn't raised that way, we kicks a grip to stay that way, and I'm tryin' to stay "forever free," like AZ... baskin' in the riches of this hip hop M U S I C. 'Cause when the east is in the house, "Oh My God!" Is right. I know girls that's givin' niggas fair fights, so you damn right. Ima stick up for mine, like a queen at a bee, and Ima get my own rythm wihtout a "G". Hey, if ya kiddie come come, well ya need to run run, like a bee yall get stomped, by my diggy dumps dumps, all because of ya tounge. And I'll be lampin' in the sun when the day is done.
