

# Queen Latifah, Moody's Mood For Love

[He:]

There I go, there I go, there I go

There I go..

Pretty baby, you are the soul who snaps my control

Such a funny thing but every time you're near me

I never can behave

You give me a smile and then I'm wrapped up in your magic

There's music all around me, crazy music

Music that keeps calling me so very close to you

Turns me your slave

Come and do with me any little thing you want to

Anything baby, just let me get next to you

Am I insane or do I really see heaven in your eyes?

Bright as stars that shine up above you in the clear blue skies

How I worry about you

Just can't live my life without you

Baby come here, don't have no fear

Oh, is there a wonder why

I'm really feeling in the mood for love?

So tell me why stop to think

About this weather, my dear?

This little dream might fade away

There I go talking out of my head again, oh baby

Won't you come and put our two hearts together?

That would make me strong and brave

Oh when we are one, I'm not afraid, I'm not afraid

If there's a cloud up above us

Go on and let it rain

I'm sure our love together will endure a hurricane

Oh my baby

Won't you please let me love you

And give a relief from this awful misery?

[She:]

What is all this talk about loving me, my sweet?

I am not afraid, not anymore, not like before

Can't you understand me?

Now baby, please pull yourself together, do it soon

My soul's on fire, come on and take me

I'll be what you make me, my darling, my sweet

[He:]

Oh baby, you make me feel so good

Let me take you by the hand

Come let us visit out there

In that new promised land

Maybe there we can find

A good place to use a loving state of mind

I'm so tired of being without

And never knowing what love's about...

James Moody, you can come on in man

And you can blow now if you want to

[Both:] We're through.
