

Queen, No one but you (only the good die young)

A hand above the water
An angel reaching for the sky
Is it raining in heaven -
Do you want us to cry?
And everywhere the broken-hearted
On every lonely avenue
No-one could reach them
No-one but you
One by one
Only the Good die young
They're only flying too close to the sun
And life goes on -
Without you...
Another Tricky Situation
A get to drown' in the Blues
And I find myself thinkin'
Well - what would you do?
Yes! - it was such an operation
Forever paying every due
Hell, you made a sensation
You found a way through - and
One by one
Only the Good die young
They're only flyin' too close to the sun
We'll remember -
Forever...
And now the party must be over
I guess we'll never understand
The sense of your leaving
Was it the way it was planned?
And so we grace another table
And raise our glasses one more time
There's a face at the window
And I ain't never, never sayin' goodbye...
One by one
Only the Good die young
They're only flyin' too close to the sun
Cryin' for nothing
Cryin' for no-one
No-one but you
