## Queen, Pain Is So Close To Pleasure (12" Extend

Words and music by Freddie Mercury and John Deacon

Ooh ooh pain is so close to pleasure oh yeah Sunshine and rainy weather go hand in hand together all your life

Ooh ooh pain is so close to pleasure everybody knows One day we love each other then we're fighting one another all the time

When I was young and just getting started

And people talked to me they sounded broken hearted

Then I grew up and got my imagination

And all I wanted was to start a new relation

So in love but love had a bad reaction

I was looking for some good old satisfaction

But pain is all I got when all I needed was some love and affection

Ooh ooh pain is so close to pleasure yeah yeah

Sunshine and rainy weather go hand in hand together all your life

Pain and pleasure

Ooh ooh pain and pleasure

When your plans go wrong and you turn out the light But inside of your mind you have to put up a fight Where are the answers that we're all searching for There's nothing in this world to be sure of anymore Some days you're feeling good some days you're feeling bad But if you're feeling happy someone else is always sad Let the sweetness of love wipe the tears from your face For better for worse so let's make the best of the rest of our years

Ooh ooh pain is so close to pleasure I told you so Sunshine and rainy weather go hand in hand together all your life

Pain and pleasure

Ooh ooh pain is so close to pleasure yeah yeah Sunshine and rainy weather go hand in hand together all your life

All your life

Pain - pleasure ....
