

Queen + Paul Rodgers, Hammer To Fall

"Brian":

"OK, no more words, just a, little more music"

Woh, yeah, yeah

Here we stand or here we fall
History won't care at all
Make the bed, light the light
Lady Mercy won't be home tonight

You don't waste no time at all
Don't hear the bell but you answer the call
Comes to you as to us all
We're just waiting for the hammer to fall, yes

Hey, Paul
"Paul":
Hey, Brian, ha, ha

Every night, and every day
A little piece of you is falling away
But lift your face, the western way
Build your muscles as your body decays

Toe your line and play their game
Let the anaesthetic cover it all
Till one day they call your name
You know it's time for the hammer to fall
Oooh, oh yeah, yeah

Yeah, yeah

Rich or poor or famous
Your truth is all the same (oh no, oh no)
Lock your door but rain is pouring
Through your window pane (oh no)
Baby now your struggle's all in vain

For we who grew up tall and proud
In the shadow of the mushroom cloud
Convinced our voices can't be heard, ha
We just want to scream it louder and louder and

What the hell we fighting for, yeah
Just surrender and it won't hurt at all
Just got time to say your prayers
While your waiting for the hammer to, hammer to fall

Alright

Hey
Hey
The hammer to fall
Hey
Hey
While your're waiting for the hammer to, hammer to, hammer to fall

Hit me one time, yeah, yeah, yeah
Oooh
Ooh
