Queen, Radio Ga Ga (12" Instrumental Version)

I'd sit alone and watch your light My only friend through teenage nights And ev'rything I had to know I heard it on my radio

You gave them all those old time stars Through wars of worlds - invaded by Mars You made 'em laugh - you made 'em cry You made us feel like we could fly Radio

So don't become some background noise A backdrop for the girls and boys Who just don't know or just don't care And just complain when you're not there You had your time you had the power You've yet to have your finest hour Radio

All we hear is Radio ga ga Radio goo goo Radio ga ga All we hear is Radio ga ga Radio blah blah Radio what's new? Radio someone still loves you

We watch the shows - we watch the stars On videos for hours and hours We hardly need to use our ears How music changes through the years

Let's hope you never leave old friend Like all good things on you we depend So stick around cos we might miss you When we grow tired of all this visual You had your time you had the power You've yet to have your finest hour Radio

All we hear is Radio ga ga Radio goo goo Radio ga ga All we hear is Radio ga ga Radio goo goo Radio ga ga All we hear is Radio ga ga Radio blah blah Radio what's new? Someone still loves you

Radio ga ga Radio ga ga Radio ga ga Radio

You had your time you had the power You've yet to have your finest hour Radio
