

# Queen, The Millionaire Waltz

(Mercury)

Bring out the charge of the love brigade  
There is spring in the air once again  
Drink to the sound of the song parade  
There is music and love everywhere  
Give a little love to me  
Take a little love from me,  
I want to share it with you  
I feel like a millionaire

Once we were mad, we were happy  
We spent all our days holding hands together  
Do you remember, my love  
How we danced and played  
In the rain we laid  
Could stay there, forever and ever

Now I am sad  
You are so far away  
I sit counting the hours day by day  
Come back to me, how I long for your love  
Come back to me - be happy like  
we used to be Come back to me, oh my love  
How I long for your love - won't you come back to me, yeah  
My fine friend - take me with you and love me forever -  
My fine friend - forever - ever

(Repeat verse)

Come back, come back to me, make me feel - Like a millionaire
