Queen, Time

Time waits for nobody Time waits for nobody

We all must plan our hopes together

Or we'll have no more future at all

Time waits for nobody

We might as well be deaf and dumb and blind

I know that sounds unkind

But it seems to me we've not listened to

Or spoken about it at all

The fact that time is running out for us all

Time waits for nobody

Time waits for no-one

We've got to build this world together

Or we'll have no more future at all

Because time - it waits for nobody

You don't need me to tell you what's gone wrong (gone wrong gone wrong)

You know what's going on

But it seems to me we've not cared enough

Or confided in each other at all (confided in each other at all)

It seems that we've all got our backs against the wall

(Time) Time waits for nobody

(Time) waits for no-one

We've got to trust in one another

Or there'll be no more future at all

(Time)

Yeah - Time waits for nobody

No no - Time don't wait for no-one

Let's learn to be friends with one another

Or there'll be no more future at all

Time (time) time (time) waits for nobody waits for nobody

Time time time waits for nobody at all

Time waits for nobody - yeah Time don't wait - waits for no-one

Let us free this world for ever

And build a brand new future for us all

Time waits for nobody nobody nobody

For no-one
