

# Queens Of The Stone Age, If Only Everything

If it gets you down well then Ill take it  
If it gets you up, well I don't want it  
It lets you down so broken hearted  
If it gets you down well then I want it  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
We're nothing at all  
You blow my mind cos ur so pretty girl  
Those long, long days there's no escaping  
I rolled the wheel and let it go  
and where it stops, you'll never know  
If it gets you down then just don't blame me  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
If only, only and  
We're nothing at all
