

# Queens Of The Stone Age, Regular John

Who are you girl?  
Who are you boy?  
Bet I know what you're up to  
Can I come along  
Your home number's on the wall  
I just had to call, had to  
I'm not the only one  
Who will run with a knife

[chorus:]  
Open up your eyes  
Open up your room  
Open up your arms  
One six two seven eight  
Two six three seven eight nine  
where's your daddy now  
I heard he ran away  
who are you girl?  
cause I'm so bored with myself  
anyway  
any time and any place  
I'll just hang around

[repeat chorus]

one six two seven eight  
two six three seven eight nine

[chorus:]  
open up your eyes  
open up your room  
open up your arms  
open up your door  
open up your eyes  
open up your room
