Queens Of The Stone Age, Straight Jacket Fitting

Come for a fitting way of life
It's all the rage, enslaved, in style
Come for a fitting a way of life
Straight jacket fitting a little too tight
Hold me close, I'm confused,
I don't wanna go out
Told myself "you can do this", but I'm having doubts
The old world melts like a candle a flickering out
What can you do? We're all alone
...In times new Roman, No allegiance
Chasing your wish over the cliff
If you insist on daydreaming.
Wake up we need you
No more daydreaming
Don't fall asleep now

How is the fitting way of life?
Boa constricting a little too tight

Friends close, enemies closer
Lend me your ear
Safety's an illusion
That's why it disappear
Infiltrators, saboteurs
Affix your blades, steel your nerves
Maraud the facade cause the children want answers
Corrode, from inside, like a good type cancer
Oh piss on:
the clergy, the new age heathens
The old guard, avant guard, technolojesus
The hand made jury, cage free, corporate raiders
Patriotic, probiotic, deletist, eracists
The world
She don't need saving
'Cept from you & me & our...
Misbehaving
To face down your demons, you gotta free them
To seize all your demons, Carpe demon
The look in your eyes says I love you
Oh, I love you too
Hold me close, I'm confused,
I don't wanna go out
Told myself "you can do this" I'm having doubts
The old world melts like a candle a flickering out Still so much to lose & I've already lost.. So much
What can You do? We're all alone
...In times new Roman, no allegiance
Chasing a wish over the cliff
Oh, I insist on daydreaming
What can you say? Enjoy the buffet
...In times new Roman or it's treason
What you expect?
I'm so goddamn sick of this place
Bring on the healing
Go on & heal me
Bring on the healing now
Good dogs lay down

Come for a fitting way of life
It's all the rage, enslaved, in style
Come for a fitting a way of life
Straight jacket fitting a little too tight
