

# Queens Of The Stone Age, The Blood Is Love

I saw you, in a way  
Beyond figure out  
These lines of life have been drawn & can't be removed  
Our eyes is all it took to know

Open up your eyes  
Deep blue, glassy lake  
& swim 'til water & sky  
Now are one, out of two  
Oh, my bloodshot eyes

Open up your mouth  
Touch your lips to mine  
That we may make a kiss that can pierce through death & survive  
Your words have branded my mind

Still i hold your hand  
Wrapped as if a ring  
We of flesh & blood are only carrying  
It's so hard to

Well, you know

The seed waits for the reaper to sew  
Every breath an art  
The dignity to it can strain & break your heart  
Take all your pieces home  
You ask when you're alone, "what is love"  
The blood is love
