

Queens Of The Stone Age, The Vampyre of Time

I want God to come
And take me home
Cuz I'm all alone in this crowd
Who are you to me?
Who am I supposed to be?
Not exactly sure anymore
Mmm where's this going to?
Can I follow through?
Or just follow you, for a while

Does anyone ever get this right?
I feel no love

And all confusion here
It is as I feared
The illusion that you feel is real
To be vulnerable is needed most of all
If you intend to truly fall apart

You think the worst of all
Is far behind
The Vampyre of time and memories, has died
I've survived, I speak. I breathe, I'm incomplete
I'm alive, hurray, you're wrong again cuz I feel no love
Does anyone ever get this right?

Does anyone ever get this right?
I feel no love
I feel no love
