

Queensberry, No Smoke

You said you love me
Is that a matter of fact, fact, fact, fact...
I guess I fell for it
Almost believed in it
I let my heart rule my head
You really got to me
Your sensuality
My pleasure and my only need
You thought you pulled the wool over the little lamb's eye
(Do you think I'd be that blind?)
I was spellbound, hypnotized
But don't you patronize

You said you love me
I was so blind
You had my world spinning round and round
You said you need me
Is that a matter of fact
While everybody's talking behind my back
You said I was your heart and soul desire
There ain't no smoke
Without fire

An educated guess
Tells me you're faithless
Lie through your teeth
But your eyes confess
You got no dignity
You ain't no good for me
So save your tears
And get off your knees

You thought you pulled the wool over the little lamb's eye
(Do you think I'd be that blind?)
I was spellbound, hypnotized
But don't you patronize

Ohhh... you said you love me
Yeahhh... I was so blind
There ain't no smoke without fire
Thought you pulled the wool over the little lamb's eye
I was spellbound, hypnotized
