

# Quicksand, Delusional

Delusional,  
I'm not impressed.  
You want to, tell me, so bad,  
who is on your guest list, tonight,  
but I don't care.

Save it for,  
one of your,  
other friends,  
or your many fans.

Just think.  
Just,  
think solutional,  
we have a problem.  
We don't care, who you know.  
It's too bad that you think so.  
Next time you drop a name.

Save it for,  
one of your,  
other friends,  
or your many fans.

Delusional,  
I'm not impressed.  
Illusional,  
lies, you tell best,  
and you want me to know,  
but I can't hear at all.  
But I can't hear at all.  
I can't hear at all.  
But I can't hear at all.  
I can't hear at all.
