

Quicksand, Delusional

Delusional,
I'm not impressed.
You want to, tell me, so bad,
who is on your guest list, tonight,
but I don't care.

Save it for,
one of your,
other friends,
or your many fans.

Just think.
Just,
think solutional,
we have a problem.
We don't care, who you know.
It's too bad that you think so.
Next time you drop a name.

Save it for,
one of your,
other friends,
or your many fans.

Delusional,
I'm not impressed.
Illusional,
lies, you tell best,
and you want me to know,
but I can't hear at all.
But I can't hear at all.
I can't hear at all.
But I can't hear at all.
I can't hear at all.
