

# Quicksand, Skinny (It's Overflowing)

I'm on the inside,  
I'm on your side,  
And each thought stings.

I can't think straight.  
It's overflowing.  
It's overflowing.  
It's coming down.  
It's overflowing.  
It's sinking.  
It's overflowing.

It's some savior,  
you fall into.  
And each love stings.  
I can't think straight.

It's overflowing.  
It's overflowing.  
It's coming down.  
It's overflowing.  
I'm sinking.  
It's overflowing.  
It's coming down.  
It's overflowing.  
It's sinking.  
It's overflowing.  
It's coming down.
