

Quicksilver Messenger Service, Mona

Bo Diddley)

Hey, Mona, hey hey hey hey, Mona,
I'm gonna build my house next door to you,
I'm gonna tell you what I'm gonna do,
Maybe we could do a little kissing and tellin' lies.
You'll listen to my heart goin' bumpity bump.

When I'm through lovin' I'll surely die
Can I make love to you once in a while?
I need you baby and it ain't no lie,
When I come out on the front, girl,
