

Quiero Club, Latin America

Yes I know what happened, the last time I drove.
Yes I know what happened, I can't sing no more.
So..

Latin America is hot.
Latin America is hard.

You and me are hot dogs.
You and me are sick fucks.

Latin America is hot.
Latin America is hard.

You and me are hot dogs.
You and me are sick fucks.

Latin America is hard.

Yes I know what happened, the last time I drove.
Yes I know what happened, I can't sing no more.
So..

Latin America is hot.

You and me are hot dogs.
You and me are sick fucks.

Latin America is hard.

Yes I know what happened, the last time I drove.
Yes I know what happened, I can't sing no more...
