

# Quiet Riot, Main Attraction

There's a light  
At the end of the tunnel  
It's rock and roll

There's no fight  
Words into action  
Your life is your own

The tarp is rising  
Take the thunder  
And show us your home

I say

We celebrate it  
We generate it

The main attraction  
Satisfaction guaranteed to rock the chains that bind you

Oh whoa-whoa!

You can fate  
Your time has come  
To feel the need

Don't be safe  
The sky is the limit  
No need to retreat

So take your best shot  
And place your bet on what you know  
(God can tell you)

The stage is set now  
You've got to know how

For

The main attraction  
Satisfaction guaranteed to rock the chains that bind you  
The main attraction  
Your reaction guaranteed to leave your tracks behind you

In the end  
We'll stand in the spotlight  
We are the show  
(Here we go)

We'll defend  
Here's our performance  
It's all we know

We capture the moment  
Power and glory is ours to hold  
(And you never let go)

It's a celebration  
The instigation

It's

The main attraction  
Satisfaction guaranteed to rock the chains that bind you

The main attraction  
Your reaction guaranteed to leave your tracks behind you

Main attraction  
Satisfaction  
The main attraction  
Your reaction
