

Quiet Riot, Run For Cover

Watch out!

You better get yourself runnin'
I got hurricane comin'
No warning surprise

I'm gonna take my leave
I wanna plant my seed
Don't let it shock you hold tight, hold tight

You better run for cover
I'm a hit-n-run lover
Run for cover tonight (get ready!)

So you think it's easy
Try to be this sleazy
Well I'll tell you it's nice (ha ha)

We're gonna make a name
Ain't gonna play no games
You'd better take the first flight tonight

You better run for cover
I'm the hit-n-run lover
Run for cover tonight

Find some shelter and hide
No survivors tonight, hold tight, tonight (yeah watch out!)

You better get yourself runnin'
I got hurricane comin'
No warning surprise

I'm gonna take my leave
I wanna plant my seed
Don't let it shock you hold tight, hold tight

Run for cover
I'm the hit-n-run lover
You better run for cover tonight (yeah)

Run for cover
I'm the hit-n-run lover
Run for cover tonight
Look out
Watch out
Get out
Hold out

Run for cover tonight

Run for cover! Woo!
