

Quiet Riot, Slick Black Cadillac (Outtake)

(This is a hidden track that can be found on some imports of this album. This is NOT the updated version that can be found on the 'Metal Health' album. This is an outtake version, it's almost identical to the first version but with very subtle differences)

Ooooo, Just a big black set of wheels
Is what it takes to get me off
I'm gonna drive all night
Spin my wheels n' lights
It feels all right
It feels all right

I don't need no drivers license
I'm too reckless to survive
It's like a carburetor instigator
Feels all right
Feels all right

Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
It makes me feel like a king
I only need one thing
And that's a Slick Black Cadillac (Oooo, give it up)

Now I got a fully equipped rock 'n' roll machine
At speeds that take me high, high, high
Dead man's curve
I only hear one word drive, drive, drive
Drive, drive, drive

My machine is making headlines
Gives me love and everything
It's like an institution of revolution
It feels all right
Yeah it feels all right

Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
It makes me feel like a king
I only need one thing
And that's a Slick Black Cadillac (pull over, woooooo)

I got the coppers on my tail
Just for me an A.P.B.
Sirens spinnin'
Me who's winnin'
There're after me
There're after me

Before they know just what happened
Disappear to their surprise
I got a Cadillac monkey on my back
And I don't mind
No, I don't mind

Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
Feel like a king
I only need one thing
And that's a slick Black Cadillac (hold on)

Slick Black Cadillac
It's got solid gold hu-hubcaps

Slick Black Cadillac

I lay it down, spin wide and get laid in back (huh hahaha)

Drivin' in a Slick Black Cadillac
It makes me feel like a king, alright!
