

# Quincy Punx, I Hate Everyone

I hate Christians and I hate Jews  
I hate my friends and I hate you  
I hate the blacks and whites and reds  
I hope to see them all dead

[Chorus:]

I'm not prejudiced, cuz I hate everyone  
And don't you ask me why, cuz I just think its fun

I hate the politically correct  
I hate jocks and I hate rednecks  
I hate the corporate fucking clones  
I hate faggots and homophobes

[Repeat Chorus]

I hate capitalists and I hate commies  
I hate daddies and I hate mommies  
I hate straightedgers and I hate drunks  
I hate skinhead and I hate punks

[Repeat Chorus]
