

# Quincy Punx, Nuke Seattle

[Chorus:]

Let's nuke nuke nuke nuke nuke Seattle  
It'll be a vicious bloody battle  
Let's nuke nuke nuke nuke nuke Seattle  
We'll slaughter em like a bunch of cattle

I wanna see Seattle in flames  
Cuz there bands all sound the same  
PearlGarden is totally gay  
Let's just blow the fuckers away  
Seattle gone in a mushroom cloud  
I'll push the button and I'll be damn proud

[Repeat Chorus]

Let's make a crater of the pacific northwest  
We'll get Nirvana along with the rest  
No more hyped up poseur scene  
We'll start all over, wipe the slate clean  
It'll be a quick and easy way  
To make those stupid fuckers pay  
Now that Seattles out of the way  
Let's go fuckin' nuke L.A.
