

Quinton, Lets Go

(v1)

girl i know ur feeling me(oh)
and u dont want to be lonely(no)
baby i know u want more of me
by those units u steady shootn me
girl ur so fly cause u caught my eye
im not gone front & lie
so this time wont pass me by

(hook)2x

baby girl come closer, cause i want ya
are u feeln me yo,well girl lets go
lets make the best with time
real girls are hard to find

(V2)

lets just take a ride (lady im so justified)
and girl ur so fine,i wanna make u mine
dont let this fade into memory
cause it aint easy to get with me
its getting cold, girl take my coat
im not trynna getta quick (uhn)
its just the fact,u looking good

(hook)2x

(b-sect)

girl jump in ferrai
cause i want u to come with me
baby come tour with me
where times are all good with me
(the way love should be)
