

R.E.M., Bandwagon

Come on aboard, I promise you you won't hurt the horse
We treat him well, we feed him well.
There's lots of room for you on the bandwagon,
The road may be rough, the weather may forget us
But won't we all parade around and sing our songs,
a magic kingdom, open-armed

Greet us hello, bravo, name in lights
Passing on the word to fellow passengers and players, passing in,
Until you're tired looking at all the flags
And all the banners waving
This is some parade, yesiree Bob.
Could we have known?
Yesiree Bob, could we have known?

Look at all the flags and all the banners waving.
Open up our arms, a magic kingdom, open-armed and greet us all

Come on aboard I promise you you won't hurt the horse
We treat him well, we feed him well
There's lots of room for you on the bandwagon
The road may be rough, the weather may forget us
But won't we all parade around and sing our songs and wave our flags.
A magic kingdom, greet us all hello, greet us hello, greet us hello.
