

R.E.M., Disappear

I dragged my feet across a seat
Jumped out the passenger side
The only thing worth looking for
Is what you find inside

But that had not yet appeared
Lost invisible here.

Tel Aviv and Agadir
Tone deaf for almost

Before I learned to see
The vanishing point appeared.

I looked for you everywhere
I looked for you everywhere.

There is a calm I haven't come to yet
I spent half my life figuring what comes next
I telescoped in I finally win
I finally win the prize

That now eyes see comets perfect timing squeeze
Head first fighting everything
The crushing force of memory
Erasing all I've been
The vanishing point appeared.

I looked for you everywhere.
I looked for you everywhere.
Tell me why you're here.
I came to disappear.

Look at this face
Can you believe it?
Am I living in the beautiful vacuum?
Because I can't see it
The vanishing point appears.

I looked for you everywhere.
I looked for you everywhere.
Tell me why you're here.
I came to disappear.
Tell me why you're here.
I came to disappear.
I came to disappear.
