

R.E.M., Hey, Hey, Nadine

Pretty blond hair swinging as she walks
Child-like smile glistens as she talks
Dangerous eyes in a small town girl
Seen everything all around the world

If I could only make her see my way
Maybe we could spend a while some day
in a place far away from here

(repeat verse)

Hey, Hey, Nadine
She's a good girl
Hey, Hey, Nadine
She's got me in a whirl
Hey, Hey, Nadine

She's okay

(repeat verse)

Hey, Hey, Nadine
She's a good girl
Hey, Hey, Nadine
She's got me in a whirl
Hey, Hey, Nadine
She's such a pretty girl

(repeat verse)

(repeat second chorus)

(repeat first chorus)
