

R.I.O., ONE IN A MILLION (FEAT. U-JEAN)

There are one in a million chances but I found you, you
I got lost within my senses till I found you, you
Together we are one, we are
Forever we are one, we are
There are one in a million, one in a million
One in a million chances
But I finally found you

What we gonna do, gon' rock with you
Gonna bring it back alive

There are one in a million chances but I found you, you
I got lost within my senses till I found you, you
Together we are one, we are
Forever we are one, we are

Now there are one in a million chances but I found you, I found
Together we are one, we are
Forever we are one, we are
There are one in a million, one in a million
One in a million chances
But I finally found you
But I finally found you...

What we gonna do, gon' rock with you
Gonna bring it back alive
