

R.I.O., Thinking Of You

I've been thinking of you
I've been thinking about you everyday
/2x

No I ain't got no home
No stylish funky phone
Baby don't you dig my type
Ain't got no golden star
Down at the boulevard
But I could surely make you smile
I am no superman
I ain't got no master plan
I'm just me myself and I
Come on and enjoy this ride
I just want to make you mind
'Cause I can't you out of my head

I've been thinking of you
I've been thinking about you everyday
/4x
I've been thinking of you, babe

No, I ain't got no cash
No secret hidden stash
Baby let me be your ride
I'll take you down the road
Even down to Mexico
All we need is you and I
I ain't no super fly
This ain't no lullaby
What you need is what you get
This is how we roll
Baby let us lose control
'Cause I can't get you out of my head

I've been thinking of you
I've been thinking about you everyday
I've been thinking of you, babe
