

# R. Kelly, I Belive I Can Fly

I used to think that i could not go on  
that life was nothing but an awful song  
but now i now the meaning of true love  
i'm leaning oon the everlasting arms  
if i can see it then i can do it  
if i just belive it theres nothing to it  
i belive i can fly  
i belive i can tuch the sky  
i think about it every night and day  
spread my wings and fly away  
i belive i can saw  
i see me running through that open door  
i belive i can fly, i belive i can fly, i belive i can fly  
see i was on the verge of brakeing out  
sontimes scilence can seem so loud  
there are miricals in life i must atcheve  
but first i now it starts inside of me  
if i can see it then i can do it  
if i just belive it theres nothing to it  
i belive i can fly  
i belive i can touch the sky  
i think about it every night and day  
spread my wings and fly away  
i belive i can saw  
i see me running through that open door  
i belive i can fly, i belive i can fly, i belive i can fly  
coz i belive in you  
if i can see it then i can do it  
if i just belive it theres nothing to it  
i belive i can fly  
i belive i can touch the sky  
i think about it every night and day  
spread my wings and fly away  
i belive i can saw  
i see me running through that open door  
i belive i can fly, i belive i can fly, i belive i can fly
