More and More Lyrics

[Intro]

Na na na (Baby)
Na na na (You got that look on your face)
Na na na (Like you wanna go all night)
Na na (And I like that)
Whoa na na na (I want you to know)
Na na na (That I ain't got no problem)
Na na na (Just long as we can go)
Na na na (The next night also)
Na na (Check it out)

[Verse 1]

For as long as you're willing girl
Want you to know that I'm willing too
And where you want me to go girl
I'll be willing to go there for you
And if you want me to take my time
Then I'll be willing to spend the night
All you gotta say is please stay Joe
And I'll be staying as long as your saying

[Chorus]

More and more
Then after that you want more and more
Then after that more and more
Then after that more, more
I hear you saying more and more
Then after that you want more and more
Then after that more and more
Then after that more, more

[Verse 2]

Now, if you want me to make your love come
Then I'll be willing to do anything
And even if you want to kiss places
Then I'll be willing to make you scream
Said I'm down for whatever you say
Girl all you gotta do is speak your mind
Want me here Monday to Monday
The baby girl it's fine
As long as your screaming more and more

[Chorus]

More and more
Then after that you want more and more
Then after that you want more and more
Then after that more, more
Wanna hear you saying more
More and more
Then after that you want more and more
Then after that more and more
Then after that more, more

[Verse 3]

Baby we'll be going - in the bed to the floor babe
Then we'll be going - from the bedroom to the kitchen babe
Girl we'll be going - from the kitchen to the dining room
Straight to - headed straight to the living room
I'll be taking you up - taking you up the stairs babe
Girl I guarantee - guarantee I'm bout' to drive you crazy
We'll be all over the house - we'll be all over the house babe
As long as you're screaming for me, saying give me more

[Chorus]
More and more
Then after that you want more and more
Whoa yeah, more and more
Then after that you're screaming more, more
Wanna hear you saying more
I can hear you saying more and more
More...more and more
More and more, more and more
Then baby after that more, more

[Outro to fade]
All the ladies sing it for me - na na na
Na na na na na - na na na
