

# R. Kelly, Step In The Name Of Love (Remix)

[talking]

now, now, now --see u got to understand stepping is not just a dance its a its a culture--it its the wa  
we eat, think and breathe

you understand me--see you out there on that dancefloor  
and you wit ur partner and all, yall holdin hands and yall swinging and swaying  
and you turning them and twisting them and dipping them  
and its such an exciting feeling u get u know wat i mean

[music starts]

yeah--its the power piper of r&b yall (whooooooh)  
follow me-(yeah)-chicago and them (oh yeah)  
don juan and them (yeah)  
this is for yall--the remix

[verse 1]

said i know that it's somebody's birthday tonight somewhere  
and i know somebody's gonna celebrate tonight somewhere  
(i know) one things for sure  
(im gonna put on my dancing shoes) then imma hit the door  
(and go out and step the whole night through)

[chorus]

snap in the name of love (im gonna) snap in the name of love  
(them im gonna) clap in the name of love (oh yeah) clap in the name of love  
(im gonna step) step in the name of love (whooh),  
step in the name of love (in the name of love)  
groove in the name of love, groove in the name of love

[verse 2]

see i know theres somebody breakin out the champagne somewhere  
and u can be sure that (can be sure) that somebody's gonna make love from the night until the day  
(i know one thing) one things for sure  
(im gonna put on my dancing shoes yeah) then imma hit the door  
(and go out and step the whole night through)

[chorus]

snap in the name of love (yeah) snap in the name of love (whooh)  
clap in the name of love (oh yeah) clap in the name of love  
(said im gonna step) step in the name of love (whooh)  
step in the name of love (in the name of love)  
groove in the name of love, groove in the name of love

[bridge]

oooooh i wait till somebody else gets up (then i)  
i wanna be the first one to hit the floor (ohhh soooooo)  
so tell the dj to turn it up (turn it up)  
cuz it feels so good--dancing to this remix makes me wanna step cuz its the cut

[chorus]

snap in the name of love (oh baby) snap in the name of love (uh im gonna)  
clap in the name of love (yeah) clap in the name of love  
(step in the name) step in the name of love (of love) step in the name of love  
(then im gonna groove yeah) groove in the name of love, groove in the name of love

yeah,yeah, yeah,yeah, yeah

[talking]

good evening ladies and gentleman its the power piper of r&b  
and i would like to welcome you to the chocolate factory  
this album was designed to make you feel good for those of you who wanna feel good  
follow me

yeah

now i know everybody is familiar with the stepping game

yeah from the loveland album,  
uh huh but yall know i had go and do a remix and put it on the chocolate factory  
yeah so the stepping game we played then is the same game we gonna play right now  
are yall ready?  
c'mon 1 2 3 sing

step step side to side  
round and round dip it down  
separate bring it back  
now let me see you do the love slide (yeah)

(dance) step step side to side  
round and round dip it down  
separate bring it back  
now let me see you do the love slide

(step) step (step) step (step) side to side  
round and round dip it down  
separate bring it back  
now let me see you do the love slide

[overlapping]

(everybody do the stepping) step step side to side ,round and round dip it down (everybody do the  
back (whoa yeah)

(everybody do the stepping)

cmon--keep on stepping, round and round side to side---left to right bring it back

(everybody do the stepping) now let me see you do the love side

(everybody do the stepping)

cmon and step in the name of love while we living,

just stepped out hit the club, dj pumping and its all for us

anybody ask you why we stepping tell them that--we did it for love yeah, did it for love yeah, did it for  
for love yeah,did it for love yeah

if they asked u why we did it--tell them we did it for love oohhh yeah

if they asked u why we did it--we did it for love

everybody's snappin, everybody's clappin, everybody's groovin in the name of love

step on yall---regina and george daniels--i love yall

i see you--dj wayne williams--spinning them records

and last but not least lets not forget the man on the guitar mr donny lang--play on player

and all my fans out there--i wanna thankyou for supporting me and the chocolate factory album

and all the other albums i ever did in my career

i thank you, i love you, peace
