

# R.Kelly, (You To Be) Be Happy

Everyday and night I pray  
Love will swing you back this way  
Life without you here with me  
Ain't the same without you G  
Baby hear me, I never meant to hurt you  
Baby come and talk to me  
Let me know what's on your mind  
Every time I see you  
You're running from me all the time  
Baby hear me, I never meant to hurt you  
I only wanted you to be happy  
You to have the best of things  
To be down with me, baby  
'Cause your lovin', it's so good  
You're giving me the run-around  
Thought our love was going down  
Baby don't you know  
That I'm down until the day I die  
Baby hear me, never meant to hurt you  
Now you know I'll never do anything to hurt you  
'Cause baby I love you  
Every night and day I pray  
Your love returns  
Oh I'd give my life  
If it would only make you happy  
[Rap (Notorious B.I.G.)]  
Sittin' reminiscin' on when you started dissin'  
Spittin' in faces in public places  
Rolexes with faces had you chipper for months  
Made some dough, did some shows, now you're starting to front  
Smokin' blunts on the veranda with Amanda  
She's fillin' your head with he said, she said  
Poppa doin' this, Poppa doin' that  
But don't tell him I said it 'cause my Jeep might get wetted  
Forget it, go on take her word like the Koran  
Ya'll stay friends, I'll stay and smoke Phil Benzs  
I regret Putting you on to Baguettes.  
Honeysuckle sets, Biggie secret pyjama sets  
You were the Reebok vandal, now you were Chanel sandals  
I made you - why would I play you?  
Think about it while the streets you roam  
It's all peas and crispies in the fridge when you get home  
[Chorus]  
You to be, be happy  
You to have the best of things  
Baby everything you want it for baby  
You to be down with me  
So give me that ass back baby  
'Cause your lovin' is so good, so damn good, babe  
Everyday and night I pray love will swing you back this way  
Life without you here with me ain't the same without you G  
[Chorus]
